INNOVATION CAMP

by Jonk Entrepreneuren Luxembourg
Member of JA Worldwide

A one-day intensive idea-generating workshop organised in collaboration with a partner company. During the event, you and up to 60 students will be divided into teams and tasked with finding a solution to a real-life business challenge presented by the company.

Throughout the day, you are being supported by professionals who guide you through the process. At the end of the workshop, all teams present their solutions to a jury, which selects the winning projects.

Duration:
1 Day

Beneficiaries:
Students aged 16 to 19

Boost creativity – generate innovative solutions under time pressure

Work in teams – collaborate effectively to tackle real business challenges

Present confidently – pitch your ideas to a professional jury and audience
