MINI-ENTREPRISES

by Jonk Entrepreneuren Luxembourg
Member of JA Worldwide

Over one school year, you can create and run your own **mini-company**, turning ideas into real solutions for your community. Guided by your teachers and mentored by business professionals, you gain entrepreneurial skills, discover strengths, and get a clear view of today's job market.

The programme ends with a **national competition**, where the winners represent Luxembourg at **JA Europe's Gen-E Festival.**

Duration:
1 school year

Beneficiaries:
Students aged 16-19

Enhance problem-solving skills – evaluate options and overcome challenges

Develop leadership skills – coordinate your team and take responsibility for outcomes

Boost initiative and self-motivation – drive your project forward independently
